Dressage Competitions are Recognized Gold Competitions and Members of Equine Canada, 2685 Queensview Drive, Suite 100, Ottawa, Ontario, K2B 8K2 and are governed by the rules of Equine Canada (EC). Every class offered herein is governed by the Rules and Specifications of the current rules of EC and will be held and judged in accordance with said rule book.

### **THE EQUINE CANADA STATEMENT OF PRINCIPLE**

Equine Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction.

EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment, and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure:
  - Continuing to support scientific studies on equine health and welfare;
  - Increasing education in training and horsemanship practices;
  - Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulation in all equestrian competition;
  - Reviewing, revising and developing competition rules and regulations that protect the welfare of horses

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

Documentation received after the closing date for entries and less than 5 days after the competition date entitle the applicant to an 80% refund of all entry fees submitted to Dressage P.E.I. (excluding number and administration fees). Refunds will not be entertained if documentation has not been received before the 5th day after the competition unless extenuating circumstances prevail. In such cases refunds must be approved by the current Dressage P.E.I. executive. Refunds for circumstances other than illness of the competitor or horse will not be entertained. Horses and/or riders eliminated from competition are not eligible for refunds.

### **Competition Guidelines**

Every class offered herein is covered by the rules and specifications of the current rules of the EC and will be held and judged in accordance with the EC Rule Book. It is the responsibility of the competitor to read and follow these rules. Competitors will find information on the Principles of Dressage, Definition of Movements, Dress, Saddlery and Equipment, Calling of Tests, Drugs and Medications, Conditions for Elimination and Competition Numbers amongst others.

13. The Rules of the EC recognize 3 categories of competitors:

CLASS CATEGORY	ELIGIBILITY TO COMPETE
<b>Open (O)</b>	All competitors (regardless of age and/or amateur/professional status)
<b>Adult Amateur (AA)</b>	All riders who are no longer Juniors under rule 3.4.3 (except as outlined in 3.4.2; individual Canadian competitors (see 3.4.2)
<b>Junior (J)</b>	All riders who have not reached their 18 <sup>th</sup> birthday as of January 1, 2010

The criteria of 3.4.2 are as follows: A rider not eligible for the Adult Amateur (AA) category is anyone who: 1) accepts remuneration for training a horse and/or coaching any person to ride a horse including clinics and seminars in the dressage discipline; 2) holds EC English Coaching Certification at Level 2 (dressage option) or Levels 3-5 Dressage; 3) is a EC SB, SM or S/FEI dressage judge or his/her equivalent in other National Federations; 4) is a current or former CET Short/Long listed rider or current or former CET Dressage Team member; 5) anyone who has represented Canada internationally. These categories apply to all tests except for FEI Pony, FEI Junior and FEI Young Rider classes where instead the FEI age rules apply (Section 3.4.4). However, only the Open category will be offered above Medium 4 in this year's prize list. EC Dressage tests will be used at all competitions.

14. Eligible riders may enter two categories at each level. For example, if eligible, a rider could compete in the EC First 1 level in both Junior and Open categories. Further, the rider is not required to perform both tests. The rider can choose to ride one test and upon payment of the appropriate fee, have the score considered for the other category. Riders may apply this to each of two levels (but see 7 above), thereby being eligible to ride a maximum of 5 tests (including the freestyle) at any given competition. EC Dressage tests will be used at all competitions.

15. The total length of the whip (including lash) must not exceed 120cm. Whips for ponies must not exceed 100cm in length including lash.

16. All tests can be found on the Dressage Canada website. Please note that tests have changed and we will be using new tests.

17. A tack check by the official Steward will be done immediately AFTER the rider leaves the ring. It is the rider's responsibility to report to the Steward. Failure to report will result in elimination. At EC competitions, all Juniors must wear approved protective headgear at all times when mounted (See 3.4.3 and 3.5). If for safety reasons, an adult rider wishes to wear approved protective headgear, this is permitted.

18. Ride times will be available on the Dressage PEI website at [www.dressagepei.com](http://www.dressagepei.com) or at (902) 659-2614 from Tuesday to Thursday evening prior to the competition, after which times will be posted at the stable.

19. **Awards** at Gold Competitions will be given at the conclusion of the morning session (for completed classes) and at the end of the day unless otherwise stated in the Program. All riders winning awards are required to present themselves in competition attire either with their horses in full tack (mounted) or with bridle (dismounted) to claim their prize(s). Instructions as to presentation of horses will be announced prior to the awards presentation. Anyone not present at the awards ceremony without permission from the Secretary of the Day forfeits his/her prize. In the case of the High Score Awards, prizes will be presented to the second place winner if the first place winner is absent without permission of the Show Secretary. Riders will only be asked to mount their horses if sponsors are present to award prizes, large audiences are in attendance or if the majority of riders have recently finished competing.

20. **Drug Policy - Equine.** Any horse entered in any class at a competition subject to the requirement to pay drug testing fees may, while on the competition grounds and on the recommendation of the chair of the EC Equine Medication Control Committee or the chair's appointee, be selected for equine medication control testing. .

21. Lunging (mounted) is not permitted under penalty of elimination. Lunging will not be permitted in the warm up ring if another rider is present. (See Section 7.11.13) Riders in the warm up ring are asked to pass left to left and to maintain a respectful (1.5m) distance from other riders.

22. Entries will not be allowed to leave and return to the show grounds during the competition. Entries who have concluded their classes in the morning program may leave the competition grounds at the conclusion of the lunch-time awards ceremony provided that they are not contenders for high point awards (refer to #17 above).

24. Crapaud Agriplex, and Dressage P.E. I. will not be held responsible for damage, injury or loss to persons, horses or property of exhibitors or spectators.

26. Any competitor submitting an N.S.F. cheque will be required to pay the full amount plus any bank charges and \$10.00 in cash within 14 days of notification. The competitor will then be required to pay all future competition fees in cash or by money order for one calendar year.
